The diagram is a complex mathematical or scientific illustration. It features several horizontal lines, some with arrows pointing to the right. The symbols are arranged in a structured manner, with some appearing in groups and others in isolation. The symbols include:

- The letter 'A' with a hat ($\hat{A}$).
- The letter 'a' with a circumflex ($\hat{a}$).
- The letter 'u' with a circumflex ($\hat{u}$).
- The letter 'v' with a circumflex ($\hat{v}$).
- The letter 'w' with a circumflex ($\hat{w}$).
- The letter 'x' with a circumflex ($\hat{x}$).
- The letter 'y' with a circumflex ($\hat{y}$).
- The letter 'z' with a circumflex ($\hat{z}$).
- The letter 'A' with a circumflex ($\hat{A}$).
- The letter 'a' with a circumflex ($\hat{a}$).
- The letter 'u' with a circumflex ($\hat{u}$).
- The letter 'v' with a circumflex ($\hat{v}$).
- The letter 'w' with a circumflex ($\hat{w}$).
- The letter 'x' with a circumflex ($\hat{x}$).
- The letter 'y' with a circumflex ($\hat{y}$).
- The letter 'z' with a circumflex ($\hat{z}$).
